

"JUST WHAT I WANT"

"I am nervous and run down now, but I will be all right in a week."
**IT CURES NERVOUS MEN.
CURES BACK PAINS.
CURES STOMACH TROUBLES.**
Dr. McLaughlin's Electric Belt is a popular remedy nowadays. It is the only remedy which will cure while you sleep. Just put it on when you go to bed, feel the warm, glowing vitality going into your weakened parts and restoring their life and vigor, and not a moment's inconvenience.

And you don't have to dose your poor stomach with nasty drugs. This shows what it does.

RHEUMATISM AND STOMACH CATARRH CURED.

DR. McLAUGHLIN—Dear Sir: One could not imagine the siege of suffering I passed through from stomach trouble and rheumatism. I was subjected to severe drug treatment, stomach pump treatment and diet treatment, without the least relief. I grew disgusted with them all, and as a last resort tried your belt two years ago. In three days I could fling away my cane and in three months was a new man, entirely cured, and felt better than I had for years. Several of my friends have since purchased your belts. I would not part with mine for \$1000 if I could not get another. Yours truly,
JOHN B. GUAY, Tomales, Marin Co., Cal.

This man was cured two years ago.

I will send you my FREE BOOK, with full information, sealed, free if you will send this ad.

OAHU COMMENCEMENT STUDENTS' REUNION TODAY

From Oldest Graduate to Youngest Student Will be There--Program of Events to Close on Monday Evening.

The exercises of Oahu College commencement begin today and continue through Monday of next week. Every day will have something to interest not only the graduating class and their friends, but also all Punahou friends as well. No invitations have been issued to any event except the dance. Everyone who has an interest in the college or in any of the students is cordially invited to be present at the general exercises. Friends of the school and of the classes will of course be more than welcome.

The program of the week is as follows:

Thursday, June 22, 4 to 6, reunion of all old Punahou students, trustees and teachers.

Friday, June 23, 9:30 a. m., graduating exercises of the eighth grade of the Punahou Preparatory school; 3 p. m., class day.

Saturday, June 24, 8 p. m., commencement of the college in Punahele Hall. Address by Mr. D. L. Withington.

Sunday, June 25, Central Union church, 7:30 p. m., sermon to the graduating class by Dr. D. Scudder.

Monday, June 26, 8 p. m., Senior class dance, Punahele hall.

The event which is drawing the attention of all Punahouites today is the reunion of Punahou students, teachers and trustees, past and present. This does not mean graduates alone; it includes everybody who has been connected with the school. The list begins with the Rev. O. H. Gulick, the oldest living Punahou student, and takes in everybody down to the youngest midget in the kindergarten, and others besides—for there are a good many who have been fortunate enough to marry into the Punahou family circle. Of course they are coming.

Gerrit P. Wilder has affairs in charge. Any Punahouite that does not come and help stow away some of that trainload of watermelons that Walter Dillingham and Chris. Holt are bringing up from Waihane will have to settle with Wilder. Besides the watermelons there will be other things to eat. President Griffiths, J. B. Castle, A. F. Judd, Harold G. Dillingham and Ernest N. Smith will speak. Everything points to its being a gala Punahou day which no one should miss.

The exercises will begin at 4 o'clock.

BERRY'S TRIAL TO BE IN PRIVATE

VANCOUVER BARRACKS, Wash., June 8.—Behind closed doors the court-martial of Captain J. J. Berry, late quartermaster of the transport Sheridan, is under way here, with Colonel E. Z. Steever, Fourth Cavalry, as president, C. E. S. Wood, counsel for Berry, to-day objected to Captain E. W. Sladen, Fourteenth Infantry, as a member of the board on account of his kinship to the judge advocate, and Sladen will not serve.

It is intimated that the defense will be that Captain Berry was insane when he entered the stateroom of Mrs. Mack, the wife of a brother officer, on the last trip from Manila. Mrs. Mack fled on deck in her night robe when Berry appeared and appealed to officers on deck for aid.

SONSHIP TO NOBLE SIRE

(Continued from Page 1.)

and our meetings held. At our last meeting I think some action was taken to this end, but without result so far. If I am not mistaken, our books are boxed up and stored in the second story of Castle & Cooke's building.

As has been suggested in a former report, it is much to be desired that the Society should form the nucleus of a reference library, containing such works as Heitman's, Register of the Officers of the Continental Army, Massachusetts Soldiers and Sailors in the Revolutionary War, the Record of Connecticut Men in the War of the Revolution, New York in the Revolution, etc., besides those volumes of the Archives of the original thirteen States, which relate to that period.

It appears to me that an infusion of new blood into the Society is very desirable, and that special efforts should be made to interest the many eligible persons in this Territory who have not yet joined it. I would suggest the plan of issuing a circular for this object.

The Registrar-General kindly urges upon members the importance of compiling genealogical records, the dearth of which among American families, he says, "is proverbial and lamentable."

The Daughters of the American Revolution are setting an example of patriotic zeal, which we should do well to follow. I trust that our society will experience a revival of patriotism, and that there will be more for your Registrar to report at our next annual meeting.

Respectfully submitted,
W. D. ALEXANDER,
Registrar.
